Already a major international bestseller, An Appeal to the World, the new book by one of the most revered spiritual leaders of our time, outlines both the inward and outward paths to peace, addressing a wide range of contemporary topics—from the rise of nationalism, Trump presidency, refugee crisis, climate catastrophes, and materialism to meditation, universal ethics, and even neuroscience.

An Appeal | The 14th Dalai Lama
In his appeal to the world, the Dalai Lama outlines a new secular ethics as the foundation of a peaceful century. The answer will come not from religions, but from people embracing an ethics that spans all differences. A provocative and emboldening piece of writing by a humble and eminent man of our times.

An Appeal by the Dalai Lama to the World: Ethics Are More ...
The Dalai Lama’s appeal to the world for secular ethics is rounded out with timely entreaties to take climate change seriously, and for arms control and disarmament. Nevertheless the entire statement takes up only seven pages. While this is a beautifully succinct and articulate expression of the Dalai Lama’s thesis, it does not a book make.
