Far from You by Lisa Schroeder - Goodreads
Lost and alone...down the rabbit hole. Years have passed since Alice lost her mother to cancer, but time hasn't quite healed the wound. Alice copes the best she can by writing her music, losing herself in her love for her boyfriend, and distancing herself from her father and his new wife. But when a deadly snowstorm traps Alice with her stepmother and newborn half sister, she'll face issues ...

Far From You
Far From You is an emotional and compelling story that took me by complete surprise. This book follows Sophie, who has nearly died twice. First, it was a car accident that left her disabled and with an addiction to drugs to cope with her chronic pain.

Far From You by Tess Sharpe
Far From You was a well written book and had me up into the late hours finishing it. I liked the character of Sophie, even though at times I felt like she was little dramatic. I couldn't really relate to any of the characters because other than Sophie none of them had a real story.
