**Sections of a
Research Paper |
SpringerLink**

The paper or chapter title is the first level of heading, and it must be the most prominent. Headings should be styled in descending order of prominence. After the first level, the other headings are subheadings—that is, they are subordinate.

Research Paper

A research paper does not normally need a title page, but if the paper is a group project, create a title page and list all the authors on it instead of in the header on page 1 of your essay. If your teacher requires a title page in lieu of or in addition to the header, format it according to the instructions you are given.
