Forex Trading: A Beginner's Guide
Everyone can become a successful trader by using basic investment rules. Focus on the risk to reward ratio in each trade and use the 1% money management factors and you will never blow up the trading account. But being a successful trader doesn't mean you can't be a great trader. If you manage to become a great trader, you don't have to buy products by seeing the price tags.

The Bankers Way of Trading the Forex Market | Trading ...
Forex Trading Risks. Since the market is made by each of the participating banks providing offers and bids for a particular currency, the market pricing mechanism is derived from supply and demand. Due to the huge flows within the system, it is almost impossible for any one rogue trader to influence the price of a currency.
