### Kawasaki fh 580 v (19hp) engine is smoking....How do I ...

Just over a month ago I purchased a Husqvarna 52" "enforced deck" (heavier; welded) tractor mower with a Kawasaki engine, as per receipt: GTH24V52LS (\$3530). Today I started mowing the grass and it won't start easily. Took a few minutes to start, a brand new tractor, with just 0.2 hours on it. Then it started after I started worrying that the battery will be dead.
