Heeled Shoes

High heels are a type of shoe in which the heel, compared with the toe, is significantly higher off the ground. They make the wearer appear taller, accentuating the calf muscle and the length of the leg overall. There are many types of high heels, which come in different styles, colors and materials,

The name and style originated in the seventeenth century with King Louis XIV. As he was only five foot three inches tall, he commissioned heels to be made for him to increase his height. Nobody was allowed to have heels higher than his own. He declared that only nobility could wear red shoes and his shoes were often decorated with battle scenes.
