I have bought a job lot of Lister LM100 and LH150 spares from used, dismantled boxes: I'm planning to put together an LM and an LH so I can offer a rebuilt gearbox off the shelf. I'm expecting this to be more expensive than having your own gearbox rebuilt as it will have new bearings, seals and clutches throughout.

many thanks for your reply Roland , I have the instruction manual (book number 1029/470 ) types LRM & SRM 1-2-3 cylinders , and I have followed the maintenance / trouble shooting instructions , however - no joy ! I'm going to have one more crack at it today whilst the weather's good then try a local Lister specialist my neighbour has recommended .
