Klaartje Van Der Put

All of these little finger puppet books are adorable. The story is simple and perfect for older babies, toddlers, and younger children. My grandchildren love when the puppet sticks it neck out to give them a kiss or pat their cheeks. I have purchased several of these for our own use and for gifts and recommend them.

A pair of Finger Puppet Books allow youngsters to stick a finger through a die-cut opening in the back of the board books that reaches through to the cover, to literally "inhabit" the star of Little Duck and Little Ladybug, illus. by Klaartje van der Put. When readers turn the page, the interactive character remains on each spread.
