## **Pollution & the Death of Man by Francis A. Schaeffer**

Pollution and the Death of Man. At the creation of the world, God gave mankind the responsibility to exercise dominion over the earth. Man was to use the earth and its abundance of resources to satisfy his physical needs, but he was also to care for the earth and its creatures as a wise and godly steward.

## **Pollution and the Death of Man - GeoChristian**

(Francis A. Schaeffer, Pollution and the Death of Man, Ch. 2) A man who begins to take a pantheistic view of nature has no answer for the fact that nature has two faces: it has a benevolent face, but it may also be an enemy. The pantheist views nature as normal.

## **Summary Of "POLLUTION AND THE DEATH OF MAN" by Francis ...**

His concern was not only that a neglect of the environment would spell the death of man by our life-support system. He was also concerned that the death of man might be brought about by the very environmental programs claiming to seek his salvation."

## **Pollution and the Death of Man - Crossway**

In his book Pollution and the Death of Man, Schaeffer's focus is so timely and insightful that even though this book was written over 30 years ago, the relevance is poignant in a time where "saving the earth" is so dear to so many.

## **Pollution and the Death of Man: A Christian View of Ecology**

While Pollution and the Death of Man is one of Schaeffer's lesser-known works, it is one Christians would do well to read and study even today. In this book Schaeffer does what he does best, providing a logical, consistent, biblical response to a matter that really matters.

## **Pollution and the Death of Man - Wikipedia**

"Pollution and the Death of Man" by Francis Schaeffer is a book that I picked up because I haven't really looked into the Christian argument for Environmentalism. Surprisingly - or not, if you're optimistic about Christian Environmentalism - Schaeffer feels strongly about treating the environment ethically.
