The Science of Nursing. The science of nursing is the application of theory to practice. The educational foundation of baccalaureate nursing (BSN) education includes liberal arts and sciences. Through liberal arts, nurses learn to analyze, problem-solve, think critically, and communicate.

Art and Science Books • Stronger by Science

Traditionally, art and science have been treated as two separate disciplines, but when they are studied together it's clear to see the impact one has on the other. A great deal of creativity is required to make scientific breakthroughs, and art is just as often an expression of (or a product of) scientific knowledge.
