**Golden Krishna: The Best Interface Is No Interface**  
"The Best Interface is No Interface" is a call to action for Product Designers living in the 21st century. While more theory and philosophy than practice and process, the book is an inspirational read for anyone trying to think 'outside the box' when designing and developing a product's user experience.

**The best interface is no interface: why we don't always ...**  
The best interface is no interface. There was a time in which our lives were filled with paper, and we dreamed of a utopian paperless world. Now, instead, our lives are filled with screens. And I think it's time to dream of a screenless world.
