stake in understanding the nature of the state in capitalist society is the problem of emancipatory social change. It is a fundamental tenet of Marxist theories of the state that the state in capitalist society is deeply shaped and constrained by the class relations of capitalism, but this leaves quite open the

### **Marx's theory of the state - Wikipedia**

Most political theories of the state can roughly be classified into two categories. The first are known as "liberal" or "conservative" theories, which treat capitalism as a given, and then concentrate on the function of states in capitalist society. These theories tend to see the state as a neutral entity separated from society and the economy.
